ECLIPSES 1928

In the year 1928 there will be five eclipses, three of the Sun and two of the Moon.

I. A total Eclipse of the Sun, May 19, 1928, invisible at Toronto, visible over Patagonia, the S. Atlantic Ocean, South Africa and Madagascar.

II. A total Eclipse of the Moon, June 3, 1928, invisible at Toronto; the beginning visible generally in the Western parts of S. America and N. America, the Pacific Ocean, Australia, and the Eastern border of Asia; the ending visible generally in the Pacific Ocean, Australia and Eastern part of Asia.

III. A partial Eclipse of the Sun, June 17, 1928, invisible at Toronto. Magnitude of greatest eclipse 0.037.

IV. A partial Eclipse of the Sun November 12, 1928, invisible at Toronto.

V. A total Eclipse of the Moon November 27, 1928, visible at Toronto; the beginning visible generally in the Western and Northern borders of Europe, the Atlantic Ocean, N. and S. America, the Pacific Ocean and the Northern part of Asia; the ending visible generally in N. America and Northern part of S. America, the Pacific Ocean, Australia and Eastern part of Asia. The Moon enters the Umbra 2.24 a.m. Total Eclipse begins 3.33 a.m.; middle Eclipse 4h. 1m. a.m. Total Eclipse ends 4.29 a.m. Moon leaves the Umbra 5.39 a.m. Magnitude of the Eclipse 1.155. (Moon's diameter equals 1.0).

Morning and Evening Stars, 1928

Mercury—May be seen soon after sunset in the western sky as an evening star about the following dates: February 8, 18° 12′ east of the Sun June 2, 23° 32′, and September 29, 25° 52′, and in the eastern sky, as a morning star about the following dates: March 22, 27° 46′, west of the Sun July 20, 20° 11′ and November 9, 19° 4′.

Venus—Morning star to July 1, then evening star rest of the year. As a morning star will be in conjunction with Saturn south January 16, with Mars February 14, Venus to the north; with Mercury north March 17. At its greatest distance from the Sun on March 30. In conjunction with Jupiter north on April 29. Conjunction with the Moon on May 18 and June 17. Superior conjunction with Sun July 1. As an evening star in conjunction with the Moon September 15, with Mercury south September 30. With Moon October 15, Saturn November 6, Venus to the south, with the Moon November 15 and again on December 15.

Mars—Morning star to December 21, then evening star to end of the year. As a morning star in conjunction with Venus north January 16. On July 3 in conjunction with Jupiter to the north.

Jupiter—Evening star to April 6, morning star to October 28, then evening star to end of the year. Conjunction with Venus April 29.

Saturn—Morning star to June 6, evening star December 13, then morning star rest of the year. As a morning star in conjunction with Venus to the north January 16.

Rates of Postage

Post Cards—Canada, Great Britain and other places in British Empire, U.S., Mexico or Cuba, 2c. each. All other countries, 4c. each.

Letters—Canada and United States, 2c. per oz. and 2c. for each additional oz. Great Britain and other places in British Empire, and Cuba, 3c. per oz. and 3c. each additional oz. For other countries, apply at Post Office.

Newspapers—Canada, U.S., Mexico, Great Britain and certain British possessions, 1c. per 4 oz. All other countries 2c. per 2 oz.

Books, Catalogues, Circulars, Etc.—Canada, U.S. or Mexico, 1c. per 2 oz. All other countries, 2c. per 2 oz. Limit of weight, Canada, 5 lbs., single book, 11 lbs. Limit of size, Canada, 3½ ft. in length, width or depth. Length and girth combined not to exceed 6 ft. Special rates and limits for other countries.

Commercial Papers, Documents, Etc.—Canada, letter rate. Other countries, letter rate, or, in open covers, 10c. per 10 oz., and 2c. each additional 2 oz.

Parcels—Canada, Great Britain and most countries to which Parcel Post extends, limit of weight, 15 lbs., limit of size, 3½ ft. length, width or depth; combined length and girth not to exceed 6 ft.

Registered Letters—For Canada and all Postal Union countries, 10c. in addition to postage.

Samples—Canada, U.S., and Mexico, 1c. per 2 oz. All other countries, 4c. per 4 oz. and 2c. each additional 2 oz. Limit of weight, Great Britain and Straits Settlements, 5 lbs.; Canada and all other countries, 1 lb. Limit of size, Great Britain, 2 ft. in length by 1 ft. in width or depth. Canada and all other countries, 1 ft. by 8 in. by 4 in., or, if in roll, 1 ft. in length by 6 in. in diameter.

THE SEASONS 1928

Ontario and Quebec—Eastern Standard Time.

The Sun enters Aries, Spring begins March 20th, 3h. 45m. p.m. The Sun enters Cancer, Summer begins June 21st, 11h. 7m. a.m. The Sun enters Libra, Autumn begins September 23rd, 2h. 6m. a.m. The Sun enters Capricornus, Winter begins December 21st, 9h. 4m. p.m.

For the Maritime Provinces these times are one hour later, for Manitoba one hour earlier. For Saskatchewan and Alberta two hours earlier and for British Columbia three hours earlier. For example in Manitoba the Spring begins at 2 hrs. 45m. p.m., March 20th; and in the Maritime Provinces it begins at 4hrs. 45m. pm. March 20th; the Summer at 0h. 7m. p.m., and so on.

BANK HOLIDAYS

The astronomical data is based on the latitude and longitude of Toronto. The Standard Times at other places not differing much from Toronto in latitude may be obtained with sufficient accuracy for ordinary purposes by **adding** four minutes for every degree **west** and **subtracting** four minutes for every degree **east** of Toronto

August Tuesday 7 1928

Wednesday 8

Thursday 9

Insp Joy said this was the finest day
he ever saw at Craig Harbour, where
he was stationed for a year

August Friday 10 1928

Craig Harbour. Ellesmere Island. Clear calm morning. Bright, warm day. Sailed about 10^{oc} a.m. for Devon Island. Dense fog shortly after leaving and steamed slow speed all day, with barely steerage way. Probably close to shore of North Devon Island

Saturday 11

Near Cape Sparbo, Devon Island, and Capt. Falk moved closer in shore and anchored 7^{oc} a.m. Prepared to go ashore but fog set in again. 8 or 9 Muskoxen seen, but sea was too rough to send a boat ashore. Anchored all afternoon and evening. Occasional clearance of fog and muskoxen still in sight

Sunday 12

Thick fog at 7^{oc} a.m. Cleared a bit soon after and launch went ashore, leaving ship 9^{10} a.m.; about 3-4 miles from land. Eskimo Nukapinguaq and his dog team brought 2 Muskoxen to bay, back to back, and we secured a number of still and motion pictures. Hove anchor shortly after 1^{oc} p.m.

August Monday 13 1928

Passed Cape Warrender, Devon Island 6^{30} a.m. Reached Dundas Harbour 8^{50} a.m. Found walrus killed here recently by R.C.M.P. One put on board for Ponds Inlet. Left about 5^{00} p.m. for Beechey Island.

Tuesday 14

Arrived at Beechey Island 11^{30} a.m. Island connected with Devon Island at low tide. Visited Sir John Franklin Memorial and put down a cache for Inspector A.H. Joy. Sailed 12^{16} p.m.

Read Maxim Gorki's "Creatures that once were men."

Wednesday 15

Crossed Lancaster Sound, called Navy Board Inlet 7^{00} a.m. Arrived Ponds Inlet detachment about 4^{30} p.m. Went ashore 6 - 11^{30} p.m.

Read Maxim Gorki's "My Fellow Traveller."

August Thursday 16 1928

Left Ponds Inlet detachment 12^{00} a.m. About opposite Coutts Bay. NE. Coast of Baffin Island 9 a.m.
1^{30} p.m. put in at Scott's Inlet to see an Eskimo camp and investigate what was thought to be a smoke signal.

Friday 17

Anchored at Clyde River H B Co post 6^{30} a.m. Went ashore 8-11^{30} a.m. Shot Ruffled Sandpipers and Semipalmated Plover. Sailed 12^{00} noon and down the Coast. Rain all forenoon. More or less foggy all day

Saturday 18

Guaranteed and Controlled by
The General Accident Fire and Life
Assurance Corporation, Limited
of Perth, Scotland

With Assets in excess of $40,000,000.00

THE GENERAL ACCIDENT
ASSURANCE COMPANY OF CANADA

ESTABLISHED IN CANADA SINCE 1906

Head Office: General Assurance Building, 357 Bay Street, TORONTO (2)

ACCIDENTS ON LAND OR SEA

If the purchaser of the Brown Brothers' Diary containing this coupon is between the ages of 16 and 65 years, has properly filled in and signed the attached application and sent it with One Dollar ($1.00) to The General Accident Assurance Company of Canada, he, or she, is entitled upon receipt and acceptance of same by the said Company to receive a Diarist's Accident Policy, good for one year, providing the following benefits:

$2,500.00	—if killed by reason of accident to a Railway Train.
$1,000.00	—if killed by reason of accident to Street Car, Omnibus, Cab or Motor Car operating for hire and provided for common use of the Public by a regularly licensed public carrier.
$1,000.00	—if drowned or killed by reason of accident to a regularly licensed passenger Steamship.
$ 750.00	—if permanently totally disabled by reason of any of the accidents above mentioned.
$ 12.50	—per week, for a period not exceeding Four weeks, if totally disabled by reason of any of the accidents above mentioned.

This Policy applies throughout Canada (excluding Yukon and Territory north of the sixtieth degree of North Latitude), Newfoundland and the United States of America (excluding its insular possessions and Alaska).

Tear off at dotted line, complete and sign.

I hereby make application to

The General Accident Assurance Company of Canada

for a Diarist's Accident Policy providing the above mentioned benefits for which I enclose the sum of ONE DOLLAR and declare the information given below to be correct to the best of my knowledge and agree to accept said Policy subject to all its terms and conditions.
